## *SOF for Life* Transition Seminar

**March 5, 2019 | Grand Hyatt Tampa Bay, Tampa, FL**

### WHAT WILL THIS WORKSHOP GET ME?

- A clear understanding of what motivates you and Why. Very few individuals can articulate Why they do what they do. Why is not about making money--that's a result. Why is a purpose, cause, or belief. It's the very reason you exist. Once you can clearly articulate your Why, things become more clear throughout transition.
- A simple way to pitch yourself, your experience, and your overall value proposition.
- The secret to discovering the right transition coach and mentor, which can be the difference between finding your dream job and living a nightmare.
- Ways to connect with others efficiently, effectively, and meaningfully during your professional transition.
