- Ensure that grants are spent for the purposes for which they are given;
 - Make certain that Newham PAIF is informed promptly of any significant changes in schemes being supported; and
 - Ensure that Newham PAIF receives a proper account of the outcome of the scheme.
1. Grants must be used solely for the purposes set out in the application, and on the basis that the Newham PAIF committee approved it. If for any reason grant holders need to make any substantial changes to their use of grants, written permission to do so must be obtained from the Newham PAIF committee before doing so.
 2. All grant holders must keep full financial records. Evidence of expenditure of the grant will be required.
 3. Grant holders' accounts must be independently audited/inspected as required by legislation at the end of the financial year.
 4. Newham PAIF committee members or officers acting on their behalf at any reasonable time must make records and information available for inspection.
 5. The Newham PAIF committee reserves the right to claim back any grant where the organisation ceases to operate, the purpose of the funding no longer exists, or it has not been used for the purpose it was granted, or the terms and conditions of funding are broken, or it is discovered that the application or supporting documents submitted by the grant holder gave false or misleading information.
 6. The grant must be spent as soon as possible but in any case within 6 months of receipt.
 7. **All grant holders must complete a monitoring form to provide information on how the grant has been spent. The form must be submitted to Newham PAIF within 12 months from the date of award of the grant. Forms will be sent to successful applicants or can be requested from activecommunitiesnewham@gll.org**

An organisation may be required to pay back a proportion of the sale price, depending on the reasons for sale/disposal.
