What is a Children's Centre?

Children's Centres offer all families with children under five a range of services, information and support in their local community. The support varies according to local needs but most centres offer the following:

- advice during pregnancy and when your baby is born
- home visiting
- family drop-ins
- parenting support
- information about your child's health needs
- training courses to improve your life skills
- help finding specialist groups and services
- family support

Centres work closely with other local organisations, so if there is something they can't help you with themselves, they will usually be able to give you details of an organisation who can. You can find out more information on Royal Borough of Greenwich Children's Centres by visiting
