If you've ever entered Boulder from the east on Hwy. 36, then perhaps you've glimpsed it — the sprawling Boulder Valley, the red rooftops of the University of Colorado, the red rock Flatirons and the dramatic Rocky Mountain peaks beyond. It's the ultimate preview of all the things your group can enjoy while visiting.

If your attendees have an interest in the outdoors, your options are boundless. 150 miles of trails criss-cross beautiful Boulder, including the paved Boulder Creek Trail that conveniently cuts right through the heart of town.

A stroll down famous Pearl Street Mall to enjoy the street performers and shopping is always a hit. Take in a concert at the historic Boulder Theater or eTown Hall. Or opt for an only-in-Boulder group tour: taste Boulder's foodie culture, sip cocktails behind the scenes at a distillery, savor our famous handcrafted beers, or try the totally original Banjo Billy's Bus Tour, where you'll ride around town in a hillbilly shack on wheels and listen to the guide give a great narration of Boulder trivia and history.

Our team can help you choose the perfect activities based on your group interests. Contact us at 303.442.2911 or GroupSales@Bouldercvb.com for free assistance.
