Dear Health, Wellness and Safety Fair Vendor,

The 33rd Annual Kentucky Governor's Safety and Health Conference and Exposition will be held May 8th-12th, 2017 at the Northern Kentucky Convention Center in Covington, KY. The conference theme is "Made Safely in Kentucky" Keeping with the theme, we are hosting our fourth health, wellness and safety fair for conference participants.

The KSHN Board of Directors cordially invites you to participate as a vendor in the health, wellness, and safety fair. In addition to providing health information and screening, this event is intended to assist safety and health professionals with ideas for health, wellness, and safety promotion activities at their worksite. The booth space is being provided at no charge and we ask that the vendors plan activities that are interactive with conference participants and/or include giveaways that include safety and health messaging.

Please complete the attached form with information on your company and the service(s) you plan to provide. Please submit the application by April 1, 2017. We will send confirmation by email after review since space is limited to ensure we are not duplicating services. Feel free to contact us with questions regarding services.

Set up for the health, wellness, and safety fair will begin on Wednesday, May 10th & Thursday, May 11th at 7:30 am. The health, wellness and safety fair will be open both days from 8:00 am and will close at 2:30 pm each day.

Please be sure to mark on your vendor application the days you wish to participate, May 10th, May 11th or both days.

This is a wonderful opportunity for you to educate over 500 safety and health professionals about your services. Our membership includes participants from business, education, government, and labor representing many organizations in Kentucky and surrounding areas.

Please check out our website and social media sites to follow the development of the 2017 conference and exposition. Visit us at www.kshn.net, follow us on Twitter at "KSHN" or "@kentuckysafety" and like us on Facebook at "Kentucky Safety and Health Network, Inc."

Sincerely,

Lisa Curtis, President
Kentucky Safety and Health Network, Inc.
