Moment Norway will provide meaningful moments, based on interpersonal encounters and experiences in powerful nature.

We design authentic, high-quality experiences in Northern Norway for companies and individuals from all over the world. In order to meet our customer's needs, we design tours, programs and events in collaboration with the customer, and together we create unforgettable moments.

Our goal is to provide our guests with authentic and unforgettable experiences. We do this by specifically emphasizing personality and authenticity when we design experiences. By focusing on creating bonds between the guest and the local enthusiasts on site, we are creating a different and unique way to experience. Moreover, with nature as our playground, we engage our guests to take an active part in the local culture through interaction and participation.

**ADDITIONAL INFORMATION**

50 Degrees North specializes in holiday travel to Norway, Scandinavia, Finland, Iceland, Greenland, the Arctic and Russia. Our owners and staff are all Scandinavians with great local networks and in-depth knowledge of the region. This has helped us build strong relationships with local suppliers and allows us to offer competitive rates and superior customer care. Our tours showcase the best of Scandinavia and the Nordic region. Our Destination Specialists will find the most unique and intriguing local experiences for you - be it a thrill of a husky sleigh ride through snow-covered forest, cruising the stunning Norwegian fjords, admiring the northern lights in the warmth of a glass igloo, exploring the amazing Lofoten Islands on bicycle or meeting Santa Claus in his forest hide-out. We are also a Virtuoso preferred tour supplier. Let us know what you are after and we'll get to work!
