HANG GLIDING | KAYAKING | KITEBOARDING

## GROUP TOURS & RATES

If outdoor adventure is what your group seeks, then Kitty Hawk Kites is the place to be. We offer Hang Gliding, Kayaking, and Kiteboarding adventures for groups of all sizes. All of these activities are perfect for the wedding party, the family reunion or your business. Experience is not necessary with any of our activities and we have certified and experienced instructors that love to teach people how to fly! With some of our activities we can accommodate groups as large as 40 and as small as 5.

Pricing is dependent upon the size of your group and type of recreation. We normally require at least two weeks notice to accommodate a group, and to qualify as a group, participants must pay as a group. Before reserving an adventure, be sure to review our policies online at [www.kittyhawkkites.com/groups](http://www.kittyhawkkites.com/groups).
