\*SF Area rounded.

The West Ballroom offers 45,000 square feet of versatile, column-free meeting space capable of hosting everything from galas to tradeshows. This level has a weight capacity of 250 pounds/square foot. Two freight elevators (cab: 9'H x 9'W x 19'L, door: 8'H x 9'W), one with a weight capacity of 20,000 pounds and the second with a 10,000 pound capacity, provide easy accessibility to the West Ballroom from the loading dock area.

To enhance the line of sight for stage productions, retractable telescopic riser seating for 1,200, with padded seats and arm rests, is available. Numerous rigging points with weight capacities ranging from 2,500 to 5,000 pounds each, allow the room to accommodate everything from banners to elaborate lighting displays.

The West Ballroom pre-function areas provide spectacular views of Camelback Mountain and the Northeast Valley. This space is ideal for receptions or for just relaxing in the comfortable seating areas.

PRE-FUNCTION – WEST	6,000						

The Conference Center Level offers nearly 21,000 square feet of high-level corporate meeting space, designed to International Association of Conference Centers and International Association of Congress Centres standards.

This level features a 192-seat lecture hall with high-end wood finishes with data and power outlets at each work station. With conference voting and audience response systems, four translation booths and a media control booth, the lecture hall is equipped to accommodate a variety of functions. A permanent 9' x 16' rear-projection screen and 12,000 lumens projector provide the latest in presentation technology.

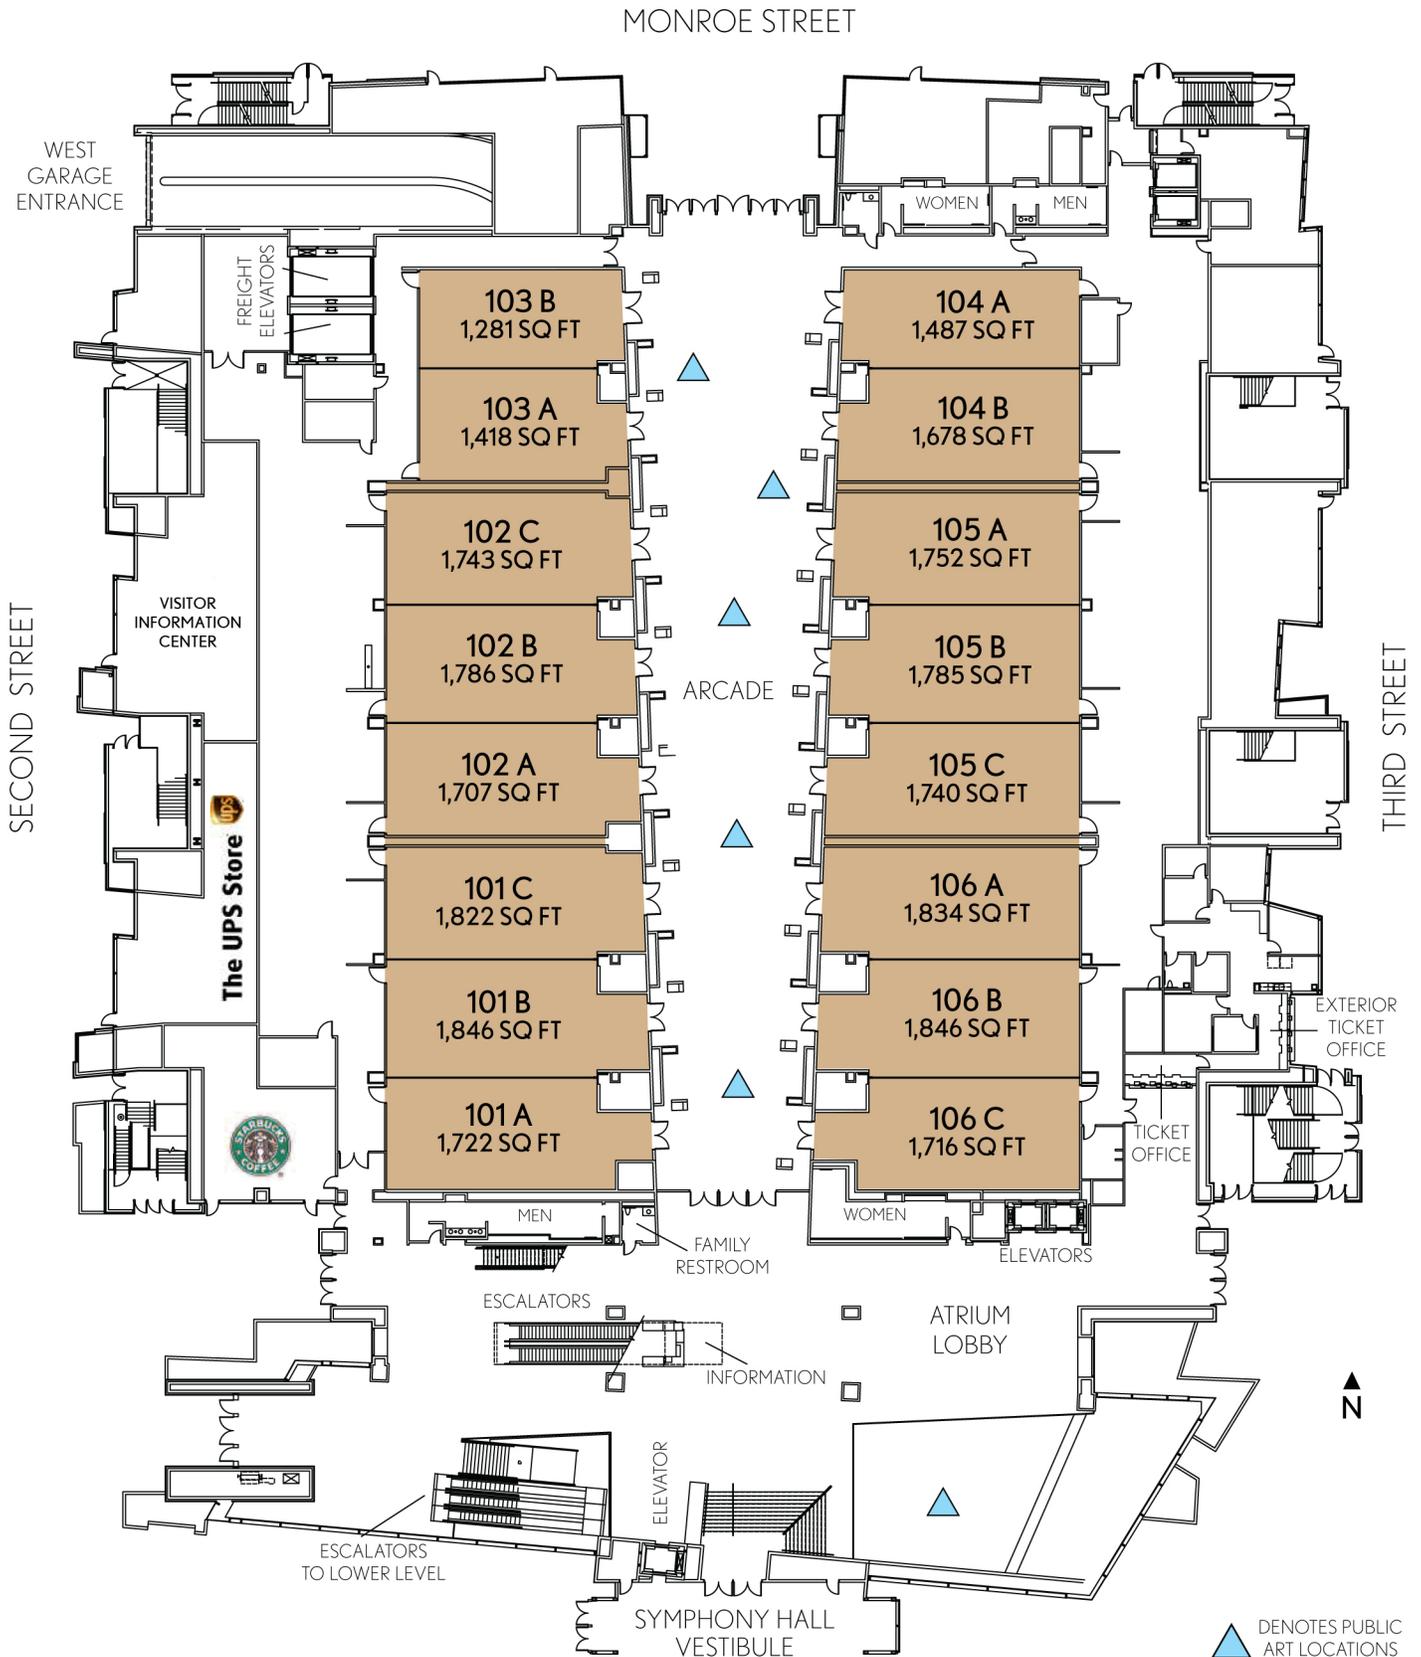

Smaller events can utilize one of 15 meeting rooms on the level, many with permanent board room amenities. This level also features an executive board room complete with private reception area, luxury furnishings and butler pantry for uninterrupted service. Ergonomic seating in the lecture hall and board rooms, four outdoor terraces, spacious refreshment areas and a dedicated concierge desk complement this exceptionally well-designed level.

ATRIUM	13,000						
ARCADE	11,700						

The Street Level features 16 meeting rooms with more than 27,000 square feet of versatile breakout space. The colorful pre-function space called the arcade, links Symphony Hall, the West Building Atrium and Herberger Theater, creating a unique thoroughfare for guests. When standing in the arcade, you are visually connected to these three distinct downtown Phoenix landmarks.

Several pieces of the convention center's \$3.2 million public art collection are located on this level including the 90-foot mirror sculpture by world-renowned artist Louise Bourgeois and video projection installation by Tony Oursler. The convention center's ticket office and information desk are also located on this level.

PRE-FUNCTION	40,000						

\*SF Area rounded.

† Halls 3 and 5 not booked independently.

The Exhibition Hall offers 312,500 square feet of continuous exhibit space which connects the North and West Buildings under Third Street. Scored on a 10' x 10' grid and a 30' x 30' utility grid to expedite the move-in process, the Exhibition Hall has a 350 pounds/square foot weight capacity and rigging points ranging from 2,500-5,000 pounds/square foot. This level offers five functional show offices, three that overlook the show floor and two on the ground level in the adjacent pre-function areas.

The Lower Level features two convenient access points for move-in. The North Building loading dock features 21 truck bays, three ramps and three convenient roll-up doors (two at 20'Wx16'H and one at 22'8"Wx16'H). The West Building loading dock provides nine truck bays, two convenient roll-up doors (18'Wx11'10"H and 18'Wx12'H) and a semi-truck turnaround. Trucks with a wheelbase of 73' or less can access the Exhibition Hall floor on this level via a sliding door (24'Wx16'H).

40,000 square feet of spacious pre-function space, located just outside the Exhibition Hall, is available for registration and a variety of other event functions. Convenient dining options for guests include three, double-sided Metro Bistros, accessible from the pre-function area and the Exhibition Hall, and the Metro Café, located adjacent to Hall 1.
